MODERN MOUNTAINEERING

GO FURTHER YOUR LIMITS...

Fast and light mountaineering, the modern approach for experienced climbers to take only what they need and move quickly across terrain and routes. Expert and demanding climbers looking for reliability and precise-feeling boots, in order to minimize pack weight, climbing time, and transitions.

CROSSOVER SERIES is perfect for outdoor climbing and mountaineering. Technical, precise and reliable, those mountaineering boots are ideal for demanding mountain climbers. The Crossover line boots is built with the most innovative technologies. Technical solutions for lightness, climbing precision and waterproof insulation. Quality and reliability are backed by the “Made in Italy” guarantee.

- FAST & LIGHT EXPERIENCE
- PRECISE FIT AND FEELING
- STABLE & RELIABLE
