A man with dark curly hair and a beard, wearing a white zip-up jacket, is captured in the act of taking a photograph. He is holding a black camera up to his eye with his right hand. A large, black, rectangular shoulder bag is slung over his left shoulder and hangs down to his waist. He is standing in front of a wall of blue stadium seats, which are arranged in a repeating pattern of oval shapes. The lighting is soft and even, highlighting the textures of his jacket and the bag.

# NANO BLADE

The Nano Blade, a pocket-sized wonder, combines precision and versatility. Its ultra-sharp blade and pull-tab design make it the ultimate everyday tool for any cutting task.

# NANO INK

The mini tactical Nano Ink is a tiny but mighty functional tool that works as a pen and a pull tab. You can attach it to your zipper and easily carry it anywhere.

# NANO PHONE STAND

The Nano Phone Stand is the world's smallest phone stand and comes as an ultra-portable pull tab that converts into a phone stand in seconds. It's also self-sanitizing, with its material embedded with copper nanoparticles that destroy germs when they come in contact with it.

# PACKING CUBE COLLECTION

Effortlessly organize your essentials with our space-saving Packing Cubes. The weatherproof fabric and mesh cover keeps your clothes, shoes, and gear protected and visible, while the foldable design guarantees they fit neatly into any travel bag.
