

ORTLIEB SLING-BAG METROSPHERE

WATERPROOF SLING-BAG FROM THE METROSPHERE LINE

The Metrosphere line is complemented by the Metrosphere sling bag, combining modern design with high functionality. The three-liter sling bag can be securely closed with a reinforced roll closure and two self-locking magnets. An inside pocket with an additional zipper helps to keep the Sling-Bag Metrosphere tidy, and the shoulder strap can be removed if it is not needed.

The waterproof Metrosphere sling bag is of course sustainably manufactured in Germany, making it the ideal bag for the city, work and leisure.
