by ISPO

**Dear Sir/Madam,
Dear Visitor,**

A very warm welcome to OutDoor by ISPO 2022 in Munich.

Together with the European Outdoor Group (EOG), we're more than happy to welcome you back to celebrate the Outdoors all together. Finally, today is the day we're meeting again, talking face to face and getting inspired by all the new outdoor products, innovations and trends that we're all longing for! Our motto "Celebrating the Outdoors" is exactly what our industry needs right now.

Being outdoors, discovering new sports and ways of exploring the outdoors has a huge impact on all our lives. Especially after two years of a global pandemic. Life right now is focussing on living outdoors, exploring the world and developing places in an urban outdoor area. That's the reason why it's time to understand the opportunities of the outdoor segment as an industry and how to engage with consumers.

From new products to sustainability and regenerated value creation: OutDoor by ISPO is the place where megatrends are being discussed, responsibility is taken and new visions are triggered. Get insights into innovations and trends as well a thorough market overview. And foremost, benefit from an exchange of ideas between different stakeholders. Get direct feedback and connect with new partners.

We cannot wait to create an international melting pot of outdoor lovers who share all their inspirations, opinions and forward-thinking ideas with each other. With plenary sessions, workshops, conversions in the many hangout and networking areas. After two years the time has finally come:

Let's shape the future of our industry. Together. Now.

Yours,
Lena Haushofer
